

What can you create with just a dot?

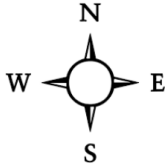

Geography

In Geography we are exploring the local area, using compasses and maps.

Newark Hill Academy is located
In the centre of Peterborough.

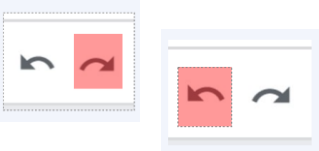

Hunstanton is Northeast
from Peterborough.

Scotland is North of England, Wales is west of
England, Northern Ireland is west of England.

Computing

We will be using digital writing to
create and format text.

Texts to explore

The dot – what happens when Vashti makes a
mark on her paper? How does she
improve it?

Katie and the Starry Night – what
happens when Katie climbs
into the famous Van Gogh painting.

My skin your skin –

How can this non-fiction book
help to empower everybody to
be the best version of themselves.

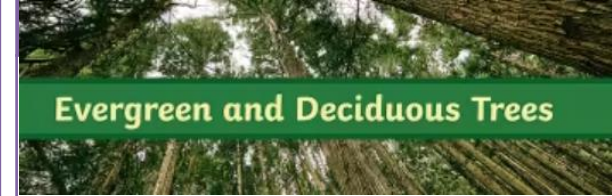

Art and Design

LS Lowry is an artist who is famous
for painting scenes of industrial
scenes in Lancashire, England. We
will apply his
Skills using paints and
Microsoft digital paints

Evergreen and Deciduous trees

An evergreen tree keeps its green leaves all
year round, such
as the pine tree.

A deciduous tree loses its leaves each year,
such as the oak tree.
