Dear Parent/Carers,

Monday 23rd March 2020

Flipgrid: Parental Consent

Most of the academy have already given permission for this, however, there is a small minority who have not/

We are continuing to use this exciting tool to increase pupil engagement in our class. Flipgrid is the leading video discussion platform used by tens of millions of primary, secondary school, pupils and families in more than 180 countries.

Flipgrid allows us to spark a classroom discussion by providing a platform for your child to share short video responses based on questions posed by me, the teacher. This will help create an inclusive dialogue and engage with them in a fun and meaningful way.

We think Flipgrid will be a wonderful addition to our class, so we are asking for your permission for your child to use Flipgrid. Please review Flipgrid's Terms of Use and Privacy Policy (<https://legal.flipgrid.com/>).

In order to use Flipgrid some personal information about your child may be collected, but this information will be protected as Flipgrid describes in their Privacy Policy and Terms of Use. Please read these policies carefully.

If you don't agree to provide consent for your child to participate, please do not allow your child to use the Flipgrid code distributed. Pupils who cannot use Flipgrid may need to use other tools to complete learning activities. By the children accessing FlipGrid, you are actively consenting.

Yours sincerely,

S. Kendal
